Oswager Said to Have Slain Family of Prince Who Befriended the Whites.

PEACE NEGOTIATIONS ARE ACUTE

Peking, Feb. 9.—Terrible crimes are laid at the doors of white looters by Chinese victims. Hundreds of cases of murder, criminal assault, torture and robbery are charged. The families of the Chinese prince slain by the dowager because he befriended the whites allege his valuables were stolen by a French bishop and are now in possession of an American official who is about to ship them away. The charge, it is established, will make Christendom blush.

Peking, Feb. 9.—The situation in the peace negotiations has now reached the acute stage. The demand of the foreign ministers for the death of princes and high officials has been transmitted to the emperor dowager and her reply is anxiously awaited. The Chinese envoys also reported that the emperor dowager the visit of the German minister, during which the latter gave Earl Li and Prince Ching to understand that if China wished peace the decapitation of guilty ones must occur.

President W. T. Graves, of the board of health, at the meeting yesterday afternoon resigned his position in order to enter the contest for health officer, and will tender his resignation as a member of the board at the next council meeting. The board, in regard to several cases near Second and Broadway, alleged to be insanitary, decided to go down and inspect them and report at the next meeting, which will probably be Tuesday.

It is reported that Dr. J. D. Robertson will be elected to succeed Dr. Graves as a member of the Board of Health.

NO PRELIMINARY.

THE ALLEGED MURDERERS OF MARSHAL CROUCH REMANDED TO JAIL.

Clem Ferguson and Leslie Taylor, the McCracken county men charged with killing Marshal Gus H. Crouch, of Metropolis, Ill., day before yesterday, were not given a preliminary hearing yesterday.

Attorney H. T. Lightfoot, who went down to defend, returned as the Fowler last night, and stated this morning that the coroner's jury held them for murder in the first degree, and in Illinois this is about equivalent to an indictment in Kentucky. The men were remanded to jail to await trial in April.

The time of the late marshal's funeral has been changed to tomorrow afternoon at 9 o'clock and a number of Paducah people intend to go down if the Cowling can be chartered for the trip.

THE BUSINESS NEWS.

The counter business with the banks continues, with some, very active. Money is in good demand. The tobacco seasons call out a good deal of money.

Clearings held up well. For the week just ended they were \$455,983.00.

The inclement weather of the week caused a temporary dullness in most lines of both wholesale and retail trade, but as a whole business continues very satisfactory.

One of the most prominent of the retail houses reports an increase of 16 per cent in trade last month over January 1900.

The Lack Singletree company is doing a splendid business this season. Mr. Lack reports his bookings of orders almost above the capacity to handle very well. His list on his books the big houses such as Simons and Shapleigh and Witte Hardware companies, of St. Louis, and the principal dealers in all the big markets and has all their trade on this line.

The Sutherland Medicine company is doing a splendid business this season. The trade so far on their famous product is a way ahead of any previous year. The expansion this year has been remarkable. Every unit brings orders from points never worked at all. This concern has done much to advertise Paducah and if present conditions continue will do more.

As an instance of the broad reputation Paducah has as a wholesale center the following story of a St. Louis drummer is a good one: He says on a recent trip to Texas he ran across a drummer for one of the local houses in a territory, by rights of conditions, strictly St. Louis. He was looking a good string of orders and the St. Louis man asked him how he could do it. "We have the goods these people want, and have the prices. Is that not sufficient explanation?"

TOBACCO.

Loose tobacco, considering the weather, is coming in freely. Prices are strong. Sales on the break were light and most lugs—about 75 per cent. Quality is common and prices strong.

Receipts for week, 154 hogsheds. Receipts for week, 747 hogsheds. Offerings for week, 77 hogsheds. Rejections for week, 30 hogsheds. Private sales for week, 0. Sales for week, 57 hogsheds. Sales for year, 314 hogsheds.

The Week in Society.

The Doings of the Smart Set the Past Six Days.
Pleasant Events and Personal Mention.

Society has spent the week attending afternoon and evening card parties and informal affairs. The entertainments were all handsome affairs and well attended. Next week promises to be but a repetition of this week's pleasure with the addition of the Cotillion club german to vary the program for one evening.

PLEASANT EVENTS.
The play "Brass Buttons," which was given last Monday evening in the spacious dining hall of the Palmer house, was witnessed by a large and appreciative audience of Paducah's upper ten. The play was bright and created much merriment. The young ladies who took part advanced themselves quite accomplished in the art of acting, and their friends viewed the performance with pride and pleasure. Misses Virginia Leach, Lillian Rudy and Martha Davis, as the Misses O'Neil, won laurels for themselves by the splendid manner in which each carried out her part. Miss Lucy Robinson, as the aunt and chaperone of the Misses O'Neil, and Miss Ella Winchester, as the young old maid, who had never been kissed and was fond of quotations, were both excellent in their parts.
Miss Anne Reed, as the young widow who captured the man in the play, Dr. L. H. Howell, rendered the character very effective and pleasing, and could not well have been surpassed. Miss Mary Corbett as Dodo Guffy, the irresponsible maid, was greeted with storms of applause. She played her part to perfection and her vivacity and enthusiasm were irresistible. About a hundred dollars was cleared, which sum was donated to Grace church.

A musical and literary for the benefit of St. Francis De Sales church was given last Monday evening, at the home of the Misses Larkin, on South Fourth street. Decorations made the rooms very attractive and a Dutch lunch following the program added materially to the enjoyment of those in attendance.

Tuesday afternoon the Daughters of the American Revolution met with Mrs. L. S. DuBois, of Mountain avenue. This popular organization has issued invitations to an entertainment to be given next Monday evening to celebrate the birthday of the "Father of his Country." The affair will be made very entertaining by the club members.

Mrs. J. L. Kilgore entertained the Married Ladies' Euchre club at the Palmer yesterday afternoon. The prizes were very pretty remembrances. Mrs. George Langstaff, Jr., won the club prize, a set of bread and butter plates; Mrs. Armour Gardner won the lone hand, a gilt rose jar, and Misses Mary Boswell and Lucy Robinson tied for the visitor's prize, a silver bon bon dish. Miss Robinson was in the out-off.

It is composed of bachelors and benedicts and the latter's wives and the former's sweethearts, and holds reunions fortnightly. At last night's pleasant meeting there were about fifteen couples in attendance.

Miss May Terrell was the popular hostess of the Young Ladies' Club Tuesday afternoon at her home on Court street. Quite a number of invited guests were in attendance, among them several visitors. The club attendance was full. Mrs. J. E. English, Misses Ruby Cobb and Elizabeth Sinnott tied for club prize, a silver rose jar. The "Spinsters of Oklahoma" at the Y. M. C. A. Thursday night was a splendid success. The attendance was very large despite the inclemency of the weather. The entertainment was repeated last evening to a crowded house and an appreciative audience.

At her pretty new home, on West Madison street, Mrs. T. C. Leach entertained a party of her young friends Tuesday evening complimentary to Miss Phil Folsom, of Owensboro. The hall has a seating capacity of three hundred and the stage will be at an elevation that will furnish all in the audience a good view.

Among the promised pleasures of the near future is a Rummage Sale to be given by the ladies of the First Presbyterian church. This date has not been decided on yet. These sales are very much in vogue in the East and afford much pleasure and interest.

INAUGURATION RATES.
For the presidential inauguration ceremonies at Washington March 4, 1901, the Illinois Central Railroad company will sell tickets to that point at one fare for the round trip on March 1st, 2d and 3d, good returning until March 9th.

Two men were blown to atoms in a powder mill explosion at Newburgh, Mo.

KIDNEY DISEASES
are the most fatal of all diseases.

FOLEY'S KIDNEY CURE is a Guaranteed Remedy or money refunded. Contains remedies recognized by eminent physicians as the best for Kidney and Bladder troubles.

Try for Health.
Tathan, McDuffie Co., Cal., May 1, 1900.
I was reading your advertisement in the Ladies' Birthday Almanac and saw the wonderful Wine of Cardui prescribed. My health has been so bad for the past two or three years that I decided to try your Wine of Cardui. The first bottle gave me relief and now I am taking another bottle. A friend of mine was so helpless that I recommended it to her, and she is also using it and says it is doing her a world of good. I shall recommend Wine of Cardui and Tathan's Black-Draught in this settlement, as they are wonderful medicines.

WINE OF CARDUI
You may be as well as Mary Moore. A million women have found relief in Wine of Cardui. It is a fact that ninety women out of a hundred are sick because they never sincerely try to be well. There never was a case of disordered menstruation, leucorrhea or falling of the womb which Wine of Cardui would not benefit and few it would not cure. Do you not think it wise to rid yourself of those terrible ailments in the head, back, arms, legs and abdomen? Why do you not try to be free from menstrual suffering, from the continual agony of bearing down pains, from the languid suffering of leucorrhea? Wine of Cardui builds up and regenerates the diseased organs and gives them strength and tone. If you are sick, and discouraged in the fight for health, try Wine of Cardui. It will bring you a quick cure. A \$1.00 bottle which you can buy from your druggist means just so much relief—a healthier and stronger body—less discomfort at the menstrual period. You do not have to spend long months "doctoring." Wine of Cardui starts a cure at once. We ask you to try for health before you give it up! You can be well!

There is no end of
Old Virginia Cheroots
to waste, as there is no finished end to cut off and throw away. When you buy three Old Virginia Cheroots for five cents, you have more to smoke, and of better quality, than you have when you pay fifteen cents for three Five Cent cigars.

Three hundred million Old Virginia Cheroots smoked this year. Ask your own dealer. Price 5 for 10.

SHARP ADVERTISING DODGE.
A Toronto, Ont., firm made a pile of money by a clever advertising dodge.

They advertised, "On receipt of \$1 we will send, securely sealed, a beautifully bound book of 400 pages, full of good things. Every sport should have one. The most wonderful book ever written. French and English translation. Prohibited to some countries. Write at once."

The detective department, scenting the circulation of improper literature, sent a dollar and received a 15 cent letter. They have not interfered with the sales, not daring to curtail propagation of the gospel.

It is said that a Miss Thomson, of Rochester, N. Y., is one of the few women of America who carry on a meat market. She did not choose the business; her father was a butcher, and when he was not able to carry on the business she took it up, to support the family. SNAP SHOTS ON MILLINERY.

Most of the hats shown were to be worn off the face, and green was seen in many of them.

An effective hat was of gilt, with cord of white tulle overlaid in circles. A whole ash was used as decoration in place of feathers.

One of the newest shapes was covered with green velvet, while rose leaves in vivid green, shading to autumn tints, covered the brim.

At a Paris millinery opening a few days ago an elegant hat called "L'Aiglon" was in the distinctive three-cornered shape, with the point in front and was of black velvet and the crown and brim were edged with gilt lace. On the left side was a pompon of cork feathers, while a bow made a finish at the back.

The manufacturers claim, however, that all this is not in defiance of the Audubon societies, but that only the edible birds are to be used for millinery adornment. It has been stated that the plumage of barnyard fowls, all of which are more or less beautiful, and many brightly brilliant in coloring, are sufficient for these garnitures.

An extremely large hat had a facing of alternating white, black and gilt tucks. About the crown was a voluminous drapery of black tulle, with gilt cord. A large black pomme and black cord decorated the left side. This was a "feather season." Every form and fancy to be carried out in wings, breasts and pompons—in fact, entire hats are shown in feathers.
